

Timestamped transcript of collected utterance

Initiating level - discarded utterance

1
00:00:00.040 --> 00:00:01.200
loud. Okay?

2
00:00:04.240 --> 00:00:06.120
Alright. Alright. you may now begin.

Level start - Collected utterance

3
00:00:07.680 --> 00:00:10.000
Okay. interesting. I'm gonna walk a

4
00:00:10.000 --> 00:00:11.760
little bit. There's a lot of grass.

5
00:00:19.090 --> 00:00:21.931
It

6
00:00:21.931 --> 00:00:23.651
seems like a nice day. There's some

7
00:00:23.651 --> 00:00:26.131
birds. I can listen to the water.

8
00:00:27.971 --> 00:00:29.691
But depending on where I go. I will

9
00:00:29.691 --> 00:00:31.331
listen a little bit less. It

10
00:00:32.611 --> 00:00:35.601
seems more calm now. think I'm

11
00:00:36.001 --> 00:00:37.921
going to the top of the hill.

12

00:00:39.761 --> 00:00:41.041
I can hear some crickets now. But

13
00:00:43.001 --> 00:00:45.681
it seems a very nice day. It's sun out.

14
00:00:45.681 --> 00:00:46.081
I'm going to

15
00:00:50.481 --> 00:00:52.241
keep on walking a little bit more.

16
00:00:58.881 --> 00:01:01.601
It's quite windy. what I can tell.

17
00:01:07.882 --> 00:01:10.722
There are some trees. I think we

18
00:01:10.722 --> 00:01:13.122
are. I don't know. beginning the spring.

19
00:01:13.122 --> 00:01:13.922
something like that.

20
00:01:20.362 --> 00:01:21.682
Umm And depending on where I look. I'm

21
00:01:21.682 --> 00:01:23.442
going to listen more to the water or

22
00:01:23.682 --> 00:01:26.402
less. if it's quite

23
00:01:26.402 --> 00:01:26.722
nice.

24
00:01:40.322 --> 00:01:42.962
There is some shade on the trees too. so

25
00:01:43.602 --> 00:01:46.483
I think it's past afternoon.

26

00:01:50.483 --> 00:01:52.883

What do you want to do?I...

27

00:01:54.163 --> 00:01:56.163

I want to keep walking a little bit more.

28

00:01:57.123 --> 00:01:59.043

I know I have an objective. but

29

00:02:00.083 --> 00:02:01.963

it's quite interesting to see everything.

30

00:02:05.283 --> 00:02:07.283

And I'm just following a path. I'm not

31

00:02:07.443 --> 00:02:08.843

going outside the path.

32

00:02:11.443 --> 00:02:13.163

Maybe I should try to go outside the

33

00:02:13.323 --> 00:02:15.523

bath. See how it...

34

00:02:17.683 --> 00:02:18.483

Breaking the law.

35

00:02:27.293 --> 00:02:29.254

Maybe I'm in a place that not a lot of

36

00:02:29.254 --> 00:02:30.534

people would go.

37

00:02:36.684 --> 00:02:37.524

Quite calm.

38

00:02:39.964 --> 00:02:42.284

And I'm a little bit away from the shore.

39

00:02:43.324 --> 00:02:46.124
so I do not listen to water that

40
00:02:46.124 --> 00:02:48.964
much. I can see the

41
00:02:48.964 --> 00:02:51.524
bridge. which I haven't noticed before.

42
00:02:53.684 --> 00:02:55.364
I just realized that I'm doing what I

43
00:02:55.364 --> 00:02:56.764
usually do. I don't look up. But

44
00:02:59.124 --> 00:03:00.964
there are trees. there's the sun there.

45
00:03:05.404 --> 00:03:07.364
I usually don't look up that often.

46
00:03:20.275 --> 00:03:22.035
The bridge is far. but I'm getting closer

47
00:03:22.035 --> 00:03:22.595
to it.

48
00:03:25.885 --> 00:03:26.925
And there's some kind of...

49
00:03:28.805 --> 00:03:30.725
It's not an important island. but

50
00:03:31.525 --> 00:03:32.405
something in the water.

51
00:03:41.595 --> 00:03:43.435
Maybe from here I can see the bottom. Do

52
00:03:48.315 --> 00:03:49.955
you like fall if I go there?

53

00:03:51.435 --> 00:03:51.835

Okay.

54

00:03:55.196 --> 00:03:56.956

It's like I'm seeing the other side that

55

00:03:56.956 --> 00:03:59.916

is not the the bay. So

56

00:03:59.916 --> 00:04:01.276

there's some different kind of trees.

57

00:04:02.846 --> 00:04:05.286

And considering I was down there. I

58

00:04:05.286 --> 00:04:07.206

didn't notice that this place was quite

59

00:04:07.806 --> 00:04:08.006

high.

60

00:04:14.646 --> 00:04:15.606

Lots of plants. Umm

61

00:04:22.886 --> 00:04:25.126

Just going to keep on walking forward.

62

00:04:29.886 --> 00:04:30.846

And I'm getting to

63

00:04:32.886 --> 00:04:35.527

Ok. so I'm getting closer to the water

64

00:04:35.527 --> 00:04:36.167

once again.

65

00:04:41.867 --> 00:04:42.987

I'll keep following the path.

66

00:04:54.577 --> 00:04:56.897
I think those are containers.

67
00:04:57.617 --> 00:05:00.577
Yeah. on the water. I'm pretty close

68
00:05:00.577 --> 00:05:01.417
to the bridge now. I'm

69
00:05:05.337 --> 00:05:06.017
going to fall.

70
00:05:16.007 --> 00:05:17.167
yeah the terrain is a little bit

71
00:05:17.167 --> 00:05:18.168
different now so it

72
00:05:19.928 --> 00:05:21.088
looks rough terrain.

73
00:05:28.888 --> 00:05:31.488
Wow that was weird. I'm gonna do that

74
00:05:31.568 --> 00:05:34.328
again. What happened? I'm passing

75
00:05:34.328 --> 00:05:37.128
nearby a tree and I

76
00:05:37.128 --> 00:05:40.008
think I'm right under it and it gave me a

77
00:05:40.328 --> 00:05:43.248
different sensation like I was... I

78
00:05:43.248 --> 00:05:45.128
don't really go close to the nature that

79
00:05:45.128 --> 00:05:47.888
much. So being like with branches around

80
00:05:47.888 --> 00:05:50.608
me that it felt very real

81
00:05:50.608 --> 00:05:53.528
like not something I'm used to do. That

82
00:05:53.528 --> 00:05:55.208
was nice. Let's try that again.

83
00:05:57.168 --> 00:05:59.608
Can I go there? I'm gonna fall maybe?

84
00:06:00.649 --> 00:06:01.929
No? Let's see what happens.

85
00:06:04.249 --> 00:06:07.209
Yeah. okay. So I'm very

86
00:06:07.209 --> 00:06:08.729
close to a cliff which is

87
00:06:10.329 --> 00:06:10.809
interesting.

88
00:06:15.529 --> 00:06:18.329
Ok. let's see how close can I get...

89
00:06:21.609 --> 00:06:22.329
I'm totally just...

90
00:06:26.569 --> 00:06:28.209
Now I'm going back to the path of just

91
00:06:28.809 --> 00:06:31.609
exploring different places. I

92
00:06:32.809 --> 00:06:35.409
I should try to find the the

93

00:06:35.409 --> 00:06:38.169
plushie. Ok. three...

94
00:06:44.890 --> 00:06:47.090
Back to the path?Nope.

95
00:06:48.730 --> 00:06:51.530
Can I go that way?Ok.

96
00:06:51.530 --> 00:06:53.410
yeah. back to the path. I believe.

97
00:06:55.890 --> 00:06:57.450
Very close to the bridge right now.

98
00:06:59.130 --> 00:07:02.010
I think I gotta go back. Is

99
00:07:02.010 --> 00:07:03.570
it possible to go that way?

100
00:07:04.810 --> 00:07:07.210
Yeah. no. I'm pretty close to the

101
00:07:07.410 --> 00:07:10.170
bridge. lots of containers

102
00:07:10.890 --> 00:07:13.770
listen a lot of birds and the waves

103
00:07:17.770 --> 00:07:20.170
and I can like depending on where

104
00:07:21.130 --> 00:07:23.530
I'll be looking I'm gonna listen to the

105
00:07:23.530 --> 00:07:25.771
waves differently which is which is

106
00:07:25.771 --> 00:07:28.491
interesting I

107
00:07:28.571 --> 00:07:30.451
think I gotta go back to the pack

108
00:07:35.151 --> 00:07:36.911
How close to the water can I go?

109
00:07:42.031 --> 00:07:44.271
Yeah. I'm not on top of the hill so I

110
00:07:44.271 --> 00:07:45.871
don't listen to the wind anymore.

111
00:07:47.431 --> 00:07:49.591
Can I go in the water? Probably not. Oh. I

112
00:07:49.591 --> 00:07:49.831
can?

113
00:07:53.071 --> 00:07:55.351
That's so nice.

114
00:07:55.551 --> 00:07:56.431
what I'm thinking.

115
00:07:58.511 --> 00:08:01.391
It's calm. it gives me like a calm

116
00:08:01.471 --> 00:08:04.351
sensation. I wouldn't imagine

117
00:08:04.351 --> 00:08:06.031
going... I was following the path for so

118
00:08:06.031 --> 00:08:08.752
long. I was not thinking of

119
00:08:08.752 --> 00:08:11.032
trying different things. but it's nice

120

00:08:11.032 --> 00:08:12.112
seeing everything from here.

121
00:08:14.552 --> 00:08:16.912
What do you want to do now?Ohh Now I want

122
00:08:16.912 --> 00:08:19.112
to reach the... I'm gonna keep walking in

123
00:08:19.112 --> 00:08:22.032
the water a little bit. Reach the other

124
00:08:22.032 --> 00:08:24.472
side of that... Is that an island?How do

125
00:08:24.472 --> 00:08:24.992
I call that?

126
00:08:28.152 --> 00:08:29.872
It's kind of a hill.

127
00:08:31.152 --> 00:08:33.312
Let's see if I can see the city or other

128
00:08:33.912 --> 00:08:36.752
places there. Oh. I think not. I think I

129
00:08:36.832 --> 00:08:38.672
reached... Yeah.

130
00:08:41.152 --> 00:08:44.032
I can't go that much into this direction.

131
00:08:44.032 --> 00:08:46.912
I think. I'm going to try going

132
00:08:46.992 --> 00:08:48.112
for this other one.

133
00:08:58.033 --> 00:08:59.713
I can see Fujiteredi now.

134

00:09:00.913 --> 00:09:02.593

which I couldn't see before.

135

00:09:05.473 --> 00:09:06.913

And I'm going away from the fridge.

136

00:09:09.393 --> 00:09:11.633

Okay. yeah. that's how far I can go. so

137

00:09:11.633 --> 00:09:13.113

I'll probably need to go back to the

138

00:09:13.153 --> 00:09:16.113

path. How do I go

139

00:09:16.673 --> 00:09:18.193

back? I think I'm

140

00:09:19.633 --> 00:09:20.353

gonna freeze. Let

141

00:09:22.993 --> 00:09:23.753

me see if I can.

142

00:09:26.513 --> 00:09:29.353

All right. I need to find a place to

143

00:09:29.393 --> 00:09:30.113

go up.

144

00:09:32.354 --> 00:09:33.954

which allows me to go.

145

00:09:37.194 --> 00:09:37.954

Maybe walking

146

00:09:40.674 --> 00:09:43.474

around it so I can get to the shore.

147

00:09:45.754 --> 00:09:46.674
Maybe that works. Yeah.

148
00:09:53.474 --> 00:09:55.714
I think if I go straight I can

149
00:09:56.754 --> 00:09:58.354
I can reach the land one more time.

150
00:10:02.914 --> 00:10:03.074
No?

151
00:10:09.554 --> 00:10:12.474
What am I thinking? I'm just curious

152
00:10:12.474 --> 00:10:15.075
if I can go back to the land.

153
00:10:18.915 --> 00:10:21.315
But it's interesting. It's quite cool.

154
00:10:22.515 --> 00:10:25.155
I like seeing things from this

155
00:10:25.155 --> 00:10:27.395
perspective. Not something I would

156
00:10:28.835 --> 00:10:29.915
I would see. I think.

157
00:10:31.795 --> 00:10:33.715
There's different rock here.

158
00:10:35.475 --> 00:10:35.515
I

159
00:10:39.235 --> 00:10:41.755
think some moss on this

160
00:10:42.115 --> 00:10:44.795
rock. Can I go up from this

161
00:10:44.795 --> 00:10:47.635
side?Yeah.

162
00:10:47.635 --> 00:10:50.435
no. Too close to the

163
00:10:50.435 --> 00:10:50.675
cliff.

164
00:10:56.836 --> 00:10:59.596
I'm listening to the birds again. I think

165
00:10:59.596 --> 00:11:00.436
that's a beach.

166
00:11:08.676 --> 00:11:11.556
Yes. What do you think?I'm

167
00:11:11.556 --> 00:11:14.436
reaching the land. yay! Can I this

168
00:11:14.436 --> 00:11:14.716
time?

169
00:11:17.716 --> 00:11:17.916
No.

170
00:11:25.046 --> 00:11:27.646
I can see the path that I walked before

171
00:11:27.646 --> 00:11:29.446
and I walked quite a while.

172
00:11:31.956 --> 00:11:32.436
I want

173
00:11:36.316 --> 00:11:38.997
to reach the land. How can I reach it?

174

00:11:40.677 --> 00:11:41.157
Okay.

175
00:11:44.277 --> 00:11:44.437
No.

176
00:11:49.157 --> 00:11:50.917
I came from there.

177
00:11:52.677 --> 00:11:54.917
I... Yeah. can I start?

178
00:11:55.917 --> 00:11:57.237
Yeah. how can I go?

179
00:12:00.837 --> 00:12:02.757
I'm gonna be lost. Nobody's gonna be able

180
00:12:02.757 --> 00:12:04.277
to find me and save me.

181
00:12:17.257 --> 00:12:19.377
Yeah Uh

182
00:12:21.938 --> 00:12:22.898
What am I thinking?

183
00:12:25.218 --> 00:12:28.178
I think I made a very

184
00:12:28.178 --> 00:12:28.978
bad decision. Um

185
00:12:33.778 --> 00:12:35.678
I feel thatThe way that I was feeling

186
00:12:35.678 --> 00:12:37.158
that. oh. this is interesting. this is

187
00:12:37.158 --> 00:12:39.918
calm. now is shift to

188
00:12:39.958 --> 00:12:42.878
something that I am trying to find a

189
00:12:42.878 --> 00:12:45.638
solution. but I'm unable. So I feel like

190
00:12:49.478 --> 00:12:51.558
I took a wrong path. like I'm lost.

191
00:13:00.628 --> 00:13:03.429
And I feel whenever I'm close to things

192
00:13:03.429 --> 00:13:05.989
that are way taller than me. like

193
00:13:06.349 --> 00:13:08.389
I'm seeing a pretty tall rock.

194
00:13:10.519 --> 00:13:12.759
It gives me a weird feeling. like not

195
00:13:12.759 --> 00:13:15.439
pleasant. Maybe that's

196
00:13:16.199 --> 00:13:16.999
just the way I am.

197
00:13:20.199 --> 00:13:22.519
Ohh Maybe I could... there's

198
00:13:24.239 --> 00:13:26.279
a... I know. Yeah. If

199
00:13:28.999 --> 00:13:31.679
I were to go up. how could I? I couldn't

200
00:13:31.679 --> 00:13:33.079
go to the shore this way.

201

00:13:35.119 --> 00:13:36.039
If I keep walking...

202
00:13:40.239 --> 00:13:41.399
I think I'm going to be in the water

203
00:13:41.399 --> 00:13:43.479
forever. We

204
00:13:44.959 --> 00:13:45.960
have one minute left.

205
00:13:49.880 --> 00:13:51.160
I did find a plushie.

206
00:13:53.440 --> 00:13:56.360
I was too interested in

207
00:13:56.360 --> 00:13:59.160
seeing the environment. The plushie

208
00:13:59.160 --> 00:14:01.720
was not my my priority at

209
00:14:02.160 --> 00:14:02.760
some point.

210
00:14:06.120 --> 00:14:08.320
And how can I?

211
00:14:20.400 --> 00:14:23.000
Yeah. I don't think I'm going to be able

212
00:14:24.040 --> 00:14:25.240
to go back to the land.

213
00:14:31.881 --> 00:14:32.041
Yeah.

214
00:14:35.401 --> 00:14:35.601
Uh. no.

215
00:14:47.121 --> 00:14:50.001
Yeah. YeahMade some

216
00:14:50.241 --> 00:14:51.041
bad decisions.

217
00:14:54.161 --> 00:14:55.721
But it was nice seeing things from a

218
00:14:55.721 --> 00:14:56.681
different perspective.

Level Closing - Discarded utterance

219
00:14:58.681 --> 00:15:01.601
All right. Yeah. I'm gonna stop

220
00:15:01.601 --> 00:15:01.921
it now.
